

Scott Rabideau Endorses Don Fox

Former State Representative Scott Rabideau & Donald Fox

"Like Don, I am a local business owner here in Harrisville. I appreciate that Don has been willing to talk about the problems facing RI small business owners and their employees. At the same time, his ideas for job creation are exactly what our state needs. Please join me in sending Don to Providence to fight for the jobs that hard working Rhode Islanders deserve."

"You can definitely add my name to the list of endorsements for Don. I intend to check the box for Fox on November 2!"
