

# RHODE ISLAND TEA PARTY

I am proud to announce that I have received the **endorsement of the RI Tea Party** for November's general election. It is my honor to stand with those candidates (**Republican, Democrat and Independent**) who have also received this endorsement. **Working together** we will be able to make the **real changes** that citizens across Rhode Island are now demanding. If you have had enough with **BIG GOVERNMENT, HIGH TAXES and NO JOBS, it is time to stand up and be counted!** Please remember to vote on November 2.
